

Staab Construction Corporation 2017 Scholarship Application

INTRODUCTION

Staab Construction Corporation, a general contractor with headquarters in Marshfield, WI, has been working in municipal and private water and wastewater treatment construction markets since 1984 throughout the northern mid-west states. The supply of young professionals entering the construction industry is not meeting demand. The Company encourages high school graduates to pursue a career in construction.

It is the purpose of this fund to provide high school graduates who intend to major in a construction related field the opportunity of receiving scholarship assistance.

Criteria for the Staab Construction Scholarship are as follows:

- The applicants must be a graduating student at a high school within a thirty mile radius of Marshfield, Wisconsin, or within the Marshfield Area Community Foundation's geographic service area (defined as including the communities of Marshfield, Chili, Pittsville, Granton, Neillsville, Loyal, Greenwood, Withee, Owen, Spencer, Unity, Colby, Abbotsford, Dorchester, Stetsonville, Medford, Stratford, Rozellville, Hewitt, Auburndale, Blenker, Milladore, Sherry, and Arpin.)
- The applicants must be scheduled to be enrolled as an undergraduate on a full-time basis at an accredited college or university during the next succeeding term. An accredited university or college is one which has been accredited by one of the following: Middle States Association of Colleges and Secondary Schools, the New England Association of Schools and Colleges, the North Central Association of Colleges and Secondary Schools, the Northwest Association of Secondary and Higher Schools, the Southern Association of Colleges and Schools, or the Western Association of Schools and Colleges.
- The applicants must intend to major in a construction related field such as engineering (civil, mechanical, geological), construction management, or architectural design.
- Financial need will be considered but shall not be the determining factor in awarding the scholarship.
- Applicants must answer all questions and have asked for letters of endorsement from two adults (see application form.)
- Scholarships may be used only for tuition and fees required for attendance, and for course-related expenses (fees, books, supplies and equipment required for courses of instruction).
