

The Alec Salamonski Memorial Scholarship

Alec Salamonski graduated from Marshfield High School in 2005. He represented Wisconsin in 2005 at the National Skills U.S.A. Competition in Computer Maintenance. He was an avid “techie,” and was employed as a computer technician by P.C. Doctors. In 2006, Alec died in an automobile accident. His parents, Julia and Norb, are offering a \$1,000 scholarship in his memory, and in recognition of Alec’s friends at P.C. Doctors.

Eligibility: Seniors who are entering a computer-related major at a university are eligible to apply. Preference will be given to those students who have pursued computer related coursework in both the Technology and Business departments, and/or who have been active in SKILLS USA and/or have been involved in the Computer Science or Information Technology Youth Apprenticeships, or other extra-curricular computer-related club or organization.

Name: _____

Address _____

Phone _____
